Acknowledgments	ii
Preface	vi
Best Practice in Marine and Coastal Fieldwork	vii
Contents Pages	x
<b>Introduction to Field Work</b>	<b>1</b>
Organising Field Work: Some Guidelines for Successful Fieldwork	2
Field Work In Marine Areas: A Checklist of Equipment	5
National and Marine Parks in Jervis Bay: Conflicts and Issues	7
On Location: Taking Videos or Still Photographs Underwater	13
Moral Dilemma Issue: The Bird Kill on North West Island	17
<b>Field Work on Beach and Rocky Headlands</b>	<b>25</b>
Field Methods	26
Beach, Water and Cliff	36
Wave Experiments Using a Stream Tray	39
Wave Observations	43
What Is It?	47
Boulder Investigations	48
Crab Surveys	52
Flotsam and Jetsam	59
Future Thinking About Beaches	63
Marine Trailing	66
Rocky Investigations	69
Rocky Shore Organisms	73
Rock Platforms: a Different Approach	76
What is Sand?	78
Sand Dune Ecosystem	80
Sand Sculpturing	83
Do Sand Dunes Really Form Barriers?	84
Whale Watching	88
<b>Vegetation Field work</b>	<b>91</b>
Algal Pressings	92
Identifying Algae	94
Herbarium Specimen Collecting	99
Comparing Plant Communities	102
Growing Mangroves	105
Mangrove Fieldwork	106
The Mangrove Ecosystem	113
Seagrasses are Special	118

# Table of Contents

---

<b>Field Work Using Several Ecosystems</b>	123
Aboriginal Art and Journeys	124
Bird Diversity Indices	128
Bird Behaviour	134
<b>Field work for Estuaries and Creeks</b>	137
Creek Study	138
Sampling Sediment Animals	140
Water Turbidity	141
<b>Activities in Museums and Aquaria</b>	143
A Trip to the Museum	144
Setting up a Marine Aquarium	146
Measurements and Marine Life	149
Shark Studies in an Aquarium	151
<b>Management Issues</b>	155
Commercial Mollusc Fisheries	156
Red Algae Bloom	157
Survey of a National/Marine Park	161
<b>Other Field Sites</b>	167
Visit to a Sewage Plant	168
People Working with Oceans	171
<b>Classroom Activities Related to Field work</b>	173
Marine Food Chains	174
Litter Trap Simulation	176
Pirates	177
Whales in Poetry and Song	181
Water Activities for Primary Students	183
<b>Games Using the Coastal Environment</b>	185
Octopus's Garden	186
Beach Olympics	190
Nocturnal Fun on the Beach	192
Survival	196
<b>Activities on ethics</b>	199
Animal Ethics and Marine Studies	200
<b>Appendices</b>	207
Participants at the Jervis Bay Workshop	208
Evaluation Form for Field Activities and Workshops	210
Bibliography	212
